- Seminar and conference registration fees after deduction of approved expenses;
- Tax-deductible donations:
  - \* *In Memoriam* donations,
  - \* *Thanksgiving* offerings,
  - \* *In Recognition* donations,

will renew their strength.  
They will soar on wings like eagles;  
they will run and not grow weary;  
they will walk and not be faint.”***

# A Christian Counselling Centre

## An Invitation...

If you acknowledge the need to develop the spiritual dimension of your life and desire personal wholeness, then the Isaiah 40 Foundation can be of benefit to you.

## Who are we?

The **Isaiah 40 Foundation** is a Christian organization which believes the Lordship of Jesus Christ can be exercised over every aspect of life to renew and integrate the broken pieces of our lives in His love and mercy through the power of the Holy Spirit, to the Glory of God the Father.

The **Isaiah 40 Foundation** was incorporated to support and facilitate a Christian Ministry of Prayer Counselling and Teaching in the areas of healing and personal wholeness. This is accomplished through teaching workshops, group/individual prayer counselling sessions, and other related activities.

The **Isaiah 40 Foundation** firmly adheres to the use of active prayer within the counselling process to recognize and affirm the presence of Jesus Christ as the continual source of healing.

## Background

Vina Sweetman is the President of the **Isaiah 40 Foundation**. For over 40 years she has been involved in prayer counselling, education, and training, for people from all walks of life. Her ministry and teaching is designed to provide a deeper insight into healing, and to create awareness of God's call to all to be channels of His healing love.

In 1991, it became evident that the time had come for Vina to devote her energies entirely to prayer counselling and teaching.

A Board of Directors is supported by a Council of Reference which includes a wide spectrum of ecclesiastical leaders and professional care givers from a variety of church affiliations.

The Foundation's work has now expanded through associate counsellors and the support of a volunteer team in leading seminars, conferences, workshops and courses.
